

Civitan Charitable Gifting Program

Civitan International has partnered with National Guardian Life Insurance Company to establish the Civitan Charitable Gifting Program. This plan was specifically designed to enable Civitan members to easily support the goals of Civitan through the gift of Whole Life Insurance. With the designation of Civitan as the beneficiary of the Whole Life Insurance policy the member can create a gift that will allow the work of Civitan to continue for generations to come. The gifts created by the Civitan Charitable Gifting Program may be given to a specific service project or to the Civitan organization as a whole. These life policies will increase in value over time allowing your financial generosity to grow in size, maximizing your gift and further enhancing Civitan's ability to fulfill their mission for years to come.
