

The Civitan International Major Gifts Society was instituted in the summer of 2015. This program was designed as a meaningful way to recognize Civitan's highest-level donors who give important financial support to Civitan International. This recognition can only be attained through personal contributions. Major Gift Society donors support Civitan for a variety of reasons but they share one common attribute: They are committed to be

Champions of Service for our Mission.

Our major gift society members all believe in the vital work being done by Civitans around the world. Their involvement is key to the organizations' progress in funding global initiatives, supporting the Civitan International Research Center and continuing our legacy.

Each donor has made a promise to help Civitan continue to be a leader in change for the next century. This commitment to positive change, fellowship, and service proves that we can continue to grow and achieve as we embark upon our next one hundred years. It is exciting to see what we, as people of action, will accomplish together.

Member Benefits

Membership in the Major Gifts Society is lifelong. Along with specific Major Gift Society recognition pins and pendants, members receive several other benefits commensurate with their generosity. Donors may elect to receive a crystal recognition piece and a specially designed pin, commemorating their gift.

Individuals and couples who contribute more than \$200,000 USD become members in the Founders Society. These members will have

their portraits hung at the Civitan International Headquarters. They will also be given a special crystal statue and lapel pin, and invited to a special, private event at each International Convention.

How to Qualify

You qualify for the Major Gifts Society if you have made cumulative contributions of \$10,000 or more to Civitan International since 2015. Donors may also make one time gifts to the Major Gifts Society. Contributions can be made in a variety of forms, such as cash, securities, real estate, and planned gifts.

Recognition Levels

The Major Gift Society Levels are based on the membership pin designations of the organization. The Pearl Level is reflective of the original Civitan Pin, the Ruby Level is reflective of the Club Levels Pins, the Sapphire is reflective of the District Level Officer Pins and the Diamond Level is reflective of the International Level Officer Pins.
